Welcome to

DELAY THE INEVITABLE

a card game about avoiding embarrassing yourself in front of your friends.

We've all been in a situation where we knew it was inevitable we'd make a fool of ourselves. Now you get to relive those moments, one embarrassing match at a time.

Perform actions, match emotions, and just be silly!

THE RULES

Make sure to shuffle the deck first.

- 1 Place deck face down
- 2 Take turns picking cards
- 3 Do the action on the card
- 4 Save matching emotions
- 5 Win by having less pairs

Tie is broken by player with less cards. Two player games should use half the emotion pairs.

SHUFFLE

ACTIONS

-  Use to skip the next turn
-  Look at the top 3 cards and reorder them
-  Another player has to give you a card
-  You can choose which card to take from another player
-  Use this to stop any action
-  Shuffle the deck before the next turn

You can only hold one action card at a time. Discard when used.
